The Concerto Charity Golf Tournament is the North Bay Symphony's largest annual fundraising event and one of the premier local tournaments. All proceeds support the Symphony and our music education programs, which reach youth throughout North Bay and across the region. From elementary in-school programs to the Symphony String School and newly formed Youth Orchestra, NBSO is proud to inspire an appreciation and love of music in our youth. With heartfelt thanks to our golfers, sponsors and supporters, nearly \$170,000 of much needed funds have been raised over the past 7 years to support the Symphony and our music education programs.
